

Hong Kong – 9 March 2022

[For Immediate Release]

Retail Asia Conference & Expo 2022 Rescheduled to 6-8 September at Hong Kong Convention and Exhibition Centre

Given the Hong Kong SAR Government's recent measures to control the spread of the Novel Coronavirus by limiting in-person gatherings, Retail Asia Conference & Expo (RACE), originally scheduled on *4-6 May 2022*, **will be postponed to 6-8 September** at HKCEC, Hong Kong.

This decision was taken in response to Hong Kong's expectations, and as a result of extensive industry consultations, and aims to ensure the best possible experience for all involved.

Informa Markets, the organiser of Retail Asia Conference & Expo, will continue to monitor the developing situation and remain in close communication with the relevant local government bodies and other key stakeholders over the coming months to ensure the safest and most successful experience possible at our September show.

Participation will roll over to the new show dates, and the RACE team will reach out to all participants shortly to confirm next steps. Please accept our most sincere apologies for any inconvenience caused.

We wish to thank those who participate in and support RACE, and we greatly appreciate your patience and understanding as we navigate this situation. Our sole focus remains providing the best possible event for our community, with more exhibitors and qualified trade buyers to make your participation a huge success. We look forward to seeing you in September.
