UNITING RETAIL & F&B INNOVATIONS

RACE is set to make a significant leap by partnering with Restaurant, Bar & Café Hong Kong (RBHK) from 2 - 4 September 2025, at the Hong Kong Convention and Exhibition Centre. This collaboration unites two of Hong Kong's most influential industries — F&B and retail — creating a dynamic synergy that enhances business growth, innovation, and cross-industry engagement. Attendees will benefit from direct access to F&B innovations and insights into consumer trends, while retail exhibitors can reach a broader audience, driving collaboration and meaningful connections. This arrangement not only strengthens both events but also reinforces Hong Kong's status as a regional innovation hub, unlocking valuable opportunities for all participants.
